RE: **DOCKET NO. 515** - Cellco Partnership d/b/a Verizon Wireless Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located at 180 School Road, Wilton, Connecticut. **Transfer of Certificate.**

Dear Attorney Baldwin:

At a public meeting of the Connecticut Siting Council (Council) held on April 11, 2024, the Council approved the transfer of the Certificate of Environmental Compatibility and Public Need (Certificate) for the above-referenced facility from Cellco Partnership d/b/a Verizon Wireless to The Towers LLC. This approval of transfer is consistent with Connecticut General Statutes §16-50k(b) and conditioned on the consent of The Towers LLC to comply with all the terms, limitations, and conditions contained in said Certificate issued on August 18, 2023, and on the timely payment of apportioned assessment charges for the facility under Connecticut General Statutes § 16-50v(b)(2).

Thank you for your attention and cooperation.

Sincerely,

Melanie A. Bachman  
Executive Director
