Re: **DOCKET NO. 515 – The Towers, LLC, application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located at 180 School Road, Wilton, Connecticut.**

Request for Extension

Dear Attorney Bachman:

On August 17, 2023, the Siting Council approved the construction of a new telecommunications facility at 180 School Road in Wilton, Connecticut. The Docket No. 515 Certificate was transferred to The Towers, LLC on April 11, 2024. The Towers LLC will not complete the approved facility construction by the February 17, 2025, deadline and, therefore, is requesting an extension of twelve (12) months to complete the work.

Thank you in advance for your cooperation. If you have any questions, please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
