Good evening, Suzanne.

How are you? Hopefully excited for this trip. It sounds splendiferous, especially since you're traveling with your daughter. Have fun!

You are correct that the intervenors would choose a replacement representative within the group and inform the Council in advance of the hearing.

Thanks for asking. I appreciate it.

Best wishes,
Melanie

Subject: Representative

Hello Melanie,

I'm writing to inform you that I will be leaving for Europe this Monday, the 15th. I am returning in early March. This is not a sudden decision. My daughter and I have been discussing this for several months and finally decided to take this once-in-a-lifetime opportunity to travel together.

This means I will not be home for the second evidentiary meeting and will not be able to represent our intervenor group as I did before. I am assuming in cases like this the intervenors choose a replacement representative within the group and inform the council.

If there is more to this, or if we are on the right track please let me know so I can inform the group.
Thanks.

Suzanne
