Re: MCM Holdings, LLC
Proposed Wireless Telecommunications Tower Facility
288 Simpaug Turnpike (Parcel 12-29), Redding, Connecticut
Docket 517

Intervenor Villamizar submission of Exhibit IV-2 attached hereto.

Intervenor Villamizar Additional Testimony:

I am somewhat confused by Cellco's statement that there is a need for additional cellular service in West Redding based upon the Verizon coverage map of West Redding available on their website showing no gaps in coverage including Route 53 as shown on Exhibit IV-2.

Respectfully submitted,

JoAnn Villamizar

Exhibit IV-2
