**Re: Proposed Greenskies Clean Energy Solar Project**

Dear Ms. Chesebrough and Mr. Carlson:

I am writing to you as a representative of Greenskies Clean Energy. As you may be aware, Greenskies Clean Energy is seeking to develop a solar photovoltaic project near Jeremy Hill Road, North Stonington, Connecticut. As part of that process, Greenskies Clean Energy will be applying for a Certificate of Environmental Compatibility and Public Need for this project with the Connecticut Siting Council.

Pursuant to Conn. Gen. Stat. § 16-501(e), the Towns in which the project is to be located in are to be provided with copies of the draft application prior to the application being filed with the Siting Council. While the project will provide each Town with a hard copy set of the draft application later today, we thought that given the current remote working situation of many individuals, an electronic version might be more useful to you.

To that end, we are providing you with a share-file link where you can access the draft of the application and the accompanying site plans. That information can be accessed at:  [Brightwood Solar CSC Certificate - Town Filings](#) This link will remain active for twenty-one (21) days. Please be aware that the application itself consists of over 500 pages. In addition, as this version of the application is a draft, it will be subject to change as more information becomes available to the project.

As I am sure you are both well aware, pursuant to the applicable statutes, each Town has up to sixty (60) days to review this information and provide comments back to Greenskies Clean Energy. Obviously, if we can be of assistance to speed that process along, we would be most willing to do so. Should you have any questions or comments concerning the project, please feel free to contact me at the number above.

Thank you in advance for your consideration of this project. We look forward to completing this renewable energy project and working with the Towns of Stonington and North Stonington to do so.

Kind regards,

*Gabriel Rusk*
