RE: **Notice of Withdrawal**

DOCKET NO. 527 – Windham Energy Center, LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a 325-megawatt battery energy storage facility and associated equipment located at 189 Lake Road, Killingly, Connecticut, and associated electrical interconnection.

DOCKET NO. 470C - NTE Connecticut, LLC Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a 650-megawatt dual-fuel combined cycle electric generating facility and associated electrical interconnection switchyard located at 180 and 189 Lake Road, Killingly, Connecticut. **Reopening of this Certificate based on changed conditions specifically limited to the status of the existing Certificate, pursuant to Connecticut General Statutes §4-181a(b).**

Dear Attorney Baldwin:

The Connecticut Siting Council (Council) is in receipt of your June 3, 2025 correspondence requesting withdrawal of the above-referenced application and reopened certificate proceeding from further consideration by the Council.

The Council hereby declares these matters to no longer be pending before this agency. Please be advised that if an amended application is submitted to the Council in the future for a facility at 180 and/or 189 Lake Road in Killingly, a new application for a Certificate of Environmental Compatibility and Public Need (Certificate) for a new facility and/or a new Motion to Reopen the Certificate issued in Docket No. 470B must be submitted in accordance with the applicable statutory and regulatory requirements.

Please also be advised that Windham Energy Center, LLC, who is the Docket 527 applicant and the Docket 470C Moving Party, remains responsible for the payment of invoices and assessments incurred in processing the above-referenced application and reopened certificate proceeding prior to this June 3, 2025 withdrawal, pursuant to Connecticut General Statutes §16-50v.

Should you have any questions, please feel free to contact the Council office.

Thank you.

Sincerely,

Melanie A. Bachman

Re: Docket No. 527 – Application of Windham Energy Center, LLC For A Certificate Of Environmental Compatibility And Public Need For The Construction, Maintenance And Operation Of A Battery Energy Storage Facility at 189 Lake Road, Killingly, Connecticut

Docket No. 470C – NTE Connecticut, LLC Certificate of Environmental Compatibility and Public Need for the Construction, Maintenance and Operation of a 650-megawatt dual-fuel combined cycle electric generating facility and associated electrical interconnection switchyard located at 180 and 189 Lake Road, Killingly, Connecticut. Reopening of this Certificate based on changed conditions specifically limited to the status of the existing Certificate, pursuant to Connecticut General Statutes §4-181a(b)

Notice of Withdrawal

Dear Attorney Bachman:

The purpose this letter is to notify the Siting Council that Windham Energy Center, LLC is withdrawing its Docket No. 527 Application for a Certificate of Environmental Compatibility and Public Need for the Construction, Maintenance and Operation of a 325-megawatt battery energy storage facility in Killingly, Connecticut. In addition, Windham Energy Center, LLC also hereby withdraws its pending Motion to Reopen and Modify the Decision Due to Changed Conditions, specifically limited to the status of the Docket No. 470B Certificate.

The withdrawal both filings is effective immediately. Thank you for your assistance and cooperation.

Sincerely,

Kenneth C. Baldwin
