RE: **DOCKET NO. 535** - The Towers, LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility and associated equipment located at 835 Norwich Worcester Turnpike (Route 169), Woodstock, Connecticut.

Motion

During the evidentiary hearing session held on September 9, 2025 for the above-referenced matter, the Connecticut Siting Council (Council) ruled on the following motion:

Intervenor Paska Nayden Motion to Continue/Reset Hearing Date, received September 4, 2025

The motion was denied on the basis that the request for Intervenor status was granted during the public hearing held on July 31, 2025, Intervenor Paska Nayden actively participated in the July 31, 2025 public hearing, including cross examination of the Applicant on the exhibits in the record, and the July 31, 2025 evidentiary hearing session was specifically continued to September 9, 2025 with a revised schedule that provided an opportunity for all parties and intervenors to submit additional interrogatories, responses to interrogatories and pre-filed testimony. In compliance with the Council's revised schedule, Intervenor Paska Nayden submitted interrogatories to the Applicant on August 26, 2025, and the Applicant responded to the interrogatories on September 2, 2025.

Close of Evidentiary Record

The evidentiary record for the above-referenced matter closed on September 9, 2025.

Parties and intervenors may file briefs and proposed findings of fact with the Council no later than **October 9, 2025**. No new information, no new evidence, no argument and no reply briefs will be considered without permission from the Council.
