RE: Tree Inventory
Site: Ben Folds Five
70 Universal Drive
North Haven, CT 06473

Dear Atty Pare:

A Tree Inventory was completed at the subject site on November 19, 2024 to determine the size and quantity of existing trees that will need to be removed for the installation of the proposed facility. The proposed site will require clearing and earthwork to construct the compound area. Installation of the proposed compound area will not require the removal of any trees.

The area to be disturbed for construction of the compound area will be approximately 4,900 square feet (sf) of interior area currently vacant. The total combined area of disturbance for compound, turn around area, and utility improvements is approximately 9,000 sf (0.21 Ac).

Sincerely,

ALL-POINTS TECHNOLOGY CORPORATION, P.C.
