RE: Docket #548 - Homeland Tower application on 42A Hidden Brook Drive - Request for Intervenor Status

Dear Ms. Bachman,

I am Stephen C. Dunn, First Selectman of Brookfield, CT with an office address of 100 Pocono Road, Brookfield, CT 0684. My telephone number is 203-775-7301. My email address is [sdunn@Brookfieldct.gov](mailto:sdunn@Brookfieldct.gov). I do not have a fax number.

The town of Brookfield requests that we be granted intervenor status on docket #548, the application from Homeland Towers corporation to build a cell tower on 42A Hidden Brook Drive in Brookfield, CT.

The construction of a new tower in a purely residential neighborhood raises considerable concerns that our residents have requested the town address on behalf of all our residents. Brookfield has an obligation to our residents to act on their behalf to ensure that the health and safety of our residents is preserved. These are the reasons we are requesting intervenor status.

The town would like to be fully involved in the process and receive all notices of hearings and any other actions that the Siting Council or its employees undertakes, and we would like to receive all pertinent documentation submitted to the Siting Council or sent from the Siting council on this application.

We would also like to be informed if any request, such as this one, do not meet the legal requirements of the Siting Council and how our application is deficient.

Best regards,

Steve Dunn
