 STATE OF NORTH CAROLINA
BETHLEHEM
1792-1976

Doctor Bellamy became a most distinguished author, preacher and teacher, conducting the author's first theological school in America. Young men lived in the Bellamy home while he preached there in his brand of scriptural interpretation and preaching methods. Among these students who studied there were Aaron Burr, Jonathan Edwards II, and James Morris. Bellamy was served in the French and Indian and all subsequent wars. Numerous are the captains and lieutenants buried in the Old Cemetery.

Bethlehem was incorporated as a separate town in 1792. Mainly a farming community until the 1800s, it had sufficient water power for cotton mill, woolen mill, falling mill, straw hat and bonnet factory, wagon factory, and miscellaneous manufactures of leather goods.
