Re: Notification of the Retirement of Bridgeport Harbor Unit No. 3

Dear Ms. Bachman,

On behalf of PSEG Connecticut LLC ("PSEG"), we are notifying the Connecticut Siting Council that PSEG's Bridgeport Harbor Unit No. 3 was retired as of June 30, 2021. Appropriate documentation was submitted to the State of Connecticut Department of Energy and Environmental Protection and the United States Environmental Protection Agency "revoking" and "rescinding" various air permits and registrations for the retired Unit No. 3, as those terms are defined in applicable statutes and regulations.

Please note that Unit No. 3 was the subject of various Connecticut Siting Council Dockets and Petitions as listed on Attachment A.

Please contact me if you have any questions or need any additional information.

Very truly yours,

BROWN RUDNICK LLP
