Re: Docket No. 488 – Homeland Towers LLC (HT) and New Cingular Wireless PCS, LLC d/b/a AT&T
Construction Status- Tower Facility at 93 Richards Road, Kent CT (CT757).

Dear Presiding Officer Morissette and Members of the Siting Council,

Please accept this letter as an update on the construction status/progress of Homeland's tower installation at 93 Richards Road, Kent, CT. Homeland received a building permit from the Town of Kent on September 30, 2021 for the installation of a 135' tall monopole. The construction crew was mobilized to the site on February 1, 2022. The tower foundation was poured on March 10th and the tower was stacked on April 12th. Eversource provided power to the site on May 15, 2022. AT&T is currently in process of installing their antennas and associated ground equipment. A follow up letter to the Council will be provided once AT&T is operational.

Sincerely,

Raymond Vergati
