Re: **Docket No. 489 - Application of The First Taxing District Water Department (“FTD”) For A Certificate Of Environmental Compatibility And Public Need For The Construction, Maintenance And Operation Of A Wireless Telecommunications Facility at 173 ½ West Rocks Road, Norwalk, Connecticut**

Commencement of Construction

Dear Ms. Bachman:

The purpose of this letter is to notify the Council that construction activity associated with the above referenced docket has commenced. I apologize for the delay in getting you this notice. As I mentioned on our call, construction of the telecommunications tower and the unrelated FTD water infrastructure improvements at the property will continue into the Spring. The First Taxing District will file the required quarterly construction reports at the appropriate time as construction of the telecommunications tower progresses.

If you have any questions or need any additional information, please feel free to contact me.

Sincerely,

Kenneth C. Baldwin
