**CONNECTICUT SITING COUNCIL**

**IN RE:**

APPLICATION BY THE FIRST TAXING DISTRICT WATER  
DEPARTMENT OF NORWALK FOR A CERTIFICATE OF  
ENVIRONMENTAL COMPATIBILITY AND PUBLIC NEED  
FOR THE CONSTRUCTION MAINTENANCE AND  
OPERATION OF A WIRELESS TELECOMMUNICATIONS  
FACILITY AT 173 ½ WEST ROCKS ROAD, NORWALK,  
CONNECTICUT

DOCKET NO. 489

April 6, 2020

REQUEST BY NEW CINGULAR WIRELESS PCS, LLC ("AT&T")  
TO INTERVENE IN THIS PROCEEDING

Pursuant to Section 16-50n of the Connecticut General Statutes and Section 16-50j-15a of the Regulations of Connecticut State Agencies, New Cingular Wireless PCS, LLC ("AT&T") respectfully requests permission of the Connecticut Siting Council ("Council") to participate, as an intervenor, in the application and hearing process for Docket No. 489.

AT&T is licensed by the Federal Communications Commission ("FCC") to construct and operate a wireless communications system in various areas of the United States of America including the State of Connecticut in order to provide cellular and personal communication services to the public. AT&T has an interest in the application process to aid the Council in evaluating the public interest considerations set forth in Section 16-50g and 16-50aa of the Connecticut General Statutes. As detailed in the application materials submitted by The First Taxing District Water Department of Norwalk (the "Applicant"), AT&T currently operates a wireless communications facility on the existing water tank located at 173 ½ West Rocks Road in Norwalk, Connecticut. Thus, AT&T has

an interest in and a need for a new tower facility in the area in order for AT&T to continue to provide its services in the north-central portion of Norwalk.

The Council has admitted AT&T as an intervenor in previous dockets and AT&T proposes to participate in this application in support of the need to continue operating a facility in this area of the State. For all the foregoing reasons, AT&T respectfully requests that it be named an intervenor in this proceeding.
