Re: **Docket No. 491 – Cellco Partnership d/b/a Verizon Wireless Telecommunications Facility, 110 Yantic Lane, Norwich, Connecticut**

**Request for Extension**

Dear Attorney Bachman:

On March 1, 2021, the Siting Council approved the construction of a wireless telecommunications facility at 110 Yantic Lane in Norwich, Connecticut (Docket No. 491). Construction of the approved facility commenced on or about April 6, 2022 and is progressing. Due to certain delays it is unclear if the facility will be completed before the September 1, 2022 deadline. In an excess of caution, we are requesting an extension of six (6) months, to March 1, 2023, to complete the construction and activate this cell site.

If you have any questions, please contact me.

Sincerely,

Kenneth C. Baldwin
