Re: Gravel Pit Solar – Application for Certificate of Environmental Compatibility and Public Need to The Connecticut Siting Council Regarding a Solar Project in East Windsor, Connecticut

Dear Sir/Madam:

Pursuant to section § 16-50l-50(b) of the Connecticut General Statutes, we are notifying you that Gravel Pit Solar intends to file an application for a Certificate of Environmental Compatibility and Public Need (“Certificate”) for this project with the Connecticut Siting Council (“Council”) on or shortly after July 24, 2020. This Certificate will request the Council's approval of the location and construction of a solar photovoltaic project in East Windsor, Connecticut.

The Project includes the development of a 120 megawatt (MW) alternating current (AC) ground-mounted solar photovoltaic system. The Project will encompass approximately 485 acres (the Project Area) and will be sited on eight parcels of land totaling approximately 726 acres (the Project Site) located near Apothecaries Hall Road, Plantation Road, Wapping Road, and Windsorville Road.

The Project Site is situated in the Connecticut River Valley and is generally characterized by sand and gravel quarries, tobacco fields, and forested land. The Project Site is located in the southern part of the Town of East Windsor. The Project Site is bounded by Windsorville Road on the south, Wapping Road on the east, Apothecaries Hall Road on the north, and Ketch Brook on the west.

The Project consists of solar modules, string inverters, driven post racking, DC string wiring, AC wire runs, transformers, switchgear, metering equipment, security fencing and access roads. The Project will interconnect to a robust section of the existing ISO New England (ISO-NE) Pooled Transmission Facility system, which allows electricity to be delivered seamlessly to offtakers throughout New England.

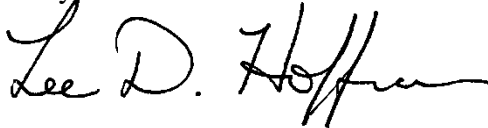

Once filed, a full copy of the Certificate application will be placed on file with the Town of East Windsor.

Page 2

You can also access a copy of the Certificate application at the Council's website:
www.ct.gov/csc.

If you have any questions regarding the Project, please contact the undersigned or the Council.

Sincerely,

A handwritten signature in black ink that reads "Lee D. Hoffman". The signature is written in a cursive style with a long horizontal flourish at the end.

Lee D. Hoffman
Attorney for Gravel Pit Solar
