Re: Docket 492 - Gravel Pit Solar – Application for Certificate of Environmental Compatibility and Public Need to The Connecticut Siting Council Regarding a Solar Project in East Windsor, Connecticut

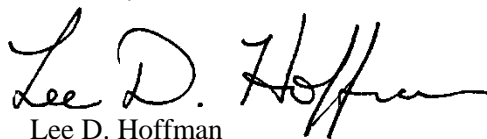

Dear Ms. Bachman:

I am writing on behalf of my client, Gravel Pit Solar (“GPS”) in connection with the above-referenced Docket. With this letter, I am submitting a copy of a legal notice, published in *The Hartford Courant*, Section 1, page 9, on Friday, September 4, 2020. You will find the notice in the fourth column from the left. As you will see, the left-hand side of the page provides confirmation from *The Hartford Courant* of the publication of the notice. GPS provides this notice, as required, in support of its application to the Connecticut Siting Council (“Council”) for a Certificate of Environmental Compatibility and Public Need filed on July 31, 2020. The application requests the Council's approval of the location and construction of a solar photovoltaic project in East Windsor, Connecticut.

The Hartford Courant has indicated that it will provide an affidavit of publication of the above referenced notice in approximately ten business days. GPS will provide the affidavit to the Council, upon receipt.

I certify that a copy of this submittal has been submitted to the parties listed on the service list for this Docket. Please feel free to contact me should you have any questions or concerns regarding this submittal.

Sincerely,

Lee D. Hoffman
