**Re: Docket No. 492 - Gravel Pit Solar Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a 120-megawatt-AC solar photovoltaic electric generating facility on eight parcels generally located to the east and west of the Amtrak and Connecticut Rail Line, south of Apothecaries Hall Road and north of the South Windsor town boundary in East Windsor, Connecticut and associated electrical interconnection.**

Dear Ms. Bachman:

I am writing on behalf of my client, Gravel Pit Solar, in connection with this Docket. The purpose of this letter is to inform the Council of the construction progress for the project. Progress updates will be provided quarterly beginning with April 1, 2022. The project will provide additional reports quarterly until the completion of construction.

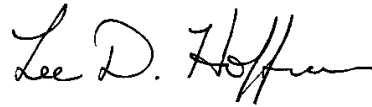

April 2022 – June 2022

- Contractor education of all Council requirements, including species protection and environmental concerns
- Wildlife exclusion fencing repairs due to ongoing ATV vandalism
- Dust Control in existing gravel pit areas.
- Weekly monitoring
- Weekly/Monthly reporting

Should you have any questions concerning this submittal, please contact me at your convenience. I certify that copies of this submittal have been made to all parties on the Certificate's Service List as of this date.
