RE: **DOCKET NO. 492** - Gravel Pit Solar Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a 120-megawatt-AC solar photovoltaic electric generating facility on eight parcels generally located to the east and west of the Amtrak and Connecticut Rail Line, south of Apothecaries Hall Road and north of the South Windsor town boundary in East Windsor, Connecticut and associated electrical interconnection.

Dear Attorney Hoffman:

The Connecticut Siting Council (Council) is in receipt of your correspondence (with attachment) dated June 29, 2022 regarding compliance with Condition Nos. 2 and 3 of the Council's February 14, 2022 Partial Development and Management (D&M) Plan II approval to provide a final Spill Prevention, Control and Countermeasures Plan and to provide a definition of the terms "damaging rainfall event" and "critical milestones" for the above-referenced facility.

The Council acknowledges that Partial D&M Plan II Condition Nos. 2 and 3 have been satisfied. This acknowledgment applies only to the Partial D&M Plan II conditions satisfied by the June 29, 2022 correspondence. Any significant changes to the above-referenced project require advance Council notification and approval.

Please be advised that deviations from the Council's Decision and Order and D&M Plan approvals are enforceable under the provisions of Connecticut General Statutes § 16-50u. Furthermore, the Certificate Holder is responsible for reporting requirements pursuant to Regulations of Connecticut State Agencies Section 16-50j-62.

Thank you for your attention and cooperation.

Sincerely,

Melanie A. Bachman
Executive Director

MB/MP
