HEARING NOTICE

Pursuant to provisions of Connecticut General Statutes § 16-50m and Governor Lamont's March 14, 2020 Executive Order No. 7B, notice is hereby given that the Connecticut Siting Council (Council) will conduct a public hearing via Zoom remote conferencing on Thursday, November 12, 2020, beginning with an evidentiary session at 2:00 p.m., and continuing with a public comment session at 6:30 p.m. The hearing will be on an application from Gravel Pit Solar for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a 120-megawatt-AC solar photovoltaic electric generating facility on eight parcels generally located to the east and west of the Amtrak and Connecticut Rail Line, south of Apothecaries Hall Road and north of the South Windsor town boundary in East Windsor, Connecticut.

The purpose of the hearing is to receive evidence on the applicant's assertions that the public benefit for the facility outweighs any adverse environmental effects from the construction, operation, and maintenance of the facility. The 2:00 p.m. evidentiary session will provide the applicant, parties and intervenors an opportunity to cross-examine positions. **No public comments will be received during the 2:00 p.m. evidentiary session.** The 6:30 p.m. public comment session will be reserved for the public to make brief statements into the record. During the 6:30 p.m. public comment session, the applicant will present an overview of the proposed facility.
