RE: **DOCKET NO. 492** - Gravel Pit Solar Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a 120-megawatt-AC solar photovoltaic electric generating facility on eight parcels generally located to the east and west of the Amtrak and Connecticut Rail Line, south of Apothecaries Hall Road and north of the South Windsor town boundary in East Windsor, Connecticut and associated electrical interconnection. **Partial D&M Plan I Revision.**

Dear Attorney Hoffman:

The Connecticut Siting Council (Council) is in receipt of your correspondence dated April 4, 2024 regarding the revision to Partial Development and Management (D&M) Plan I for the above-referenced facility that was approved by the Council on May 21, 2021.

Pursuant to Regulations of Connecticut State Agencies (RCSA) §16-50j-62(b), your request to perform an approximately 100-foot realignment of the Mitigation Module 1 Plantings along Apothecaries Hall Road; install Juniperus Chinensis plantings in lieu of Juniperus Virginiana; and install Thuja Occidentalis Elegantissima in lieu of Picea Glauca is hereby approved.

This approval applies only to the Partial D&M Plan I revision dated April 4, 2024.

Please be advised that deviations from the Council's Decision and Order and D&M Plan approvals are enforceable under the provisions of Connecticut General Statutes § 16-50u. Furthermore, the Certificate Holder is responsible for reporting requirements pursuant to RCSA §16-50j-62.

Thank you for your attention and cooperation.

Sincerely,

A handwritten signature in cursive script, appearing to read "Melanie A. Bachman".
