RE: **DOCKET NO. 494** – Cellco Partnership d/b/a Verizon Wireless Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located south of Chestnut Hill Road at the intersection with Grilley Road and Lyman Road (Parcel No. 104-1-5B), Wolcott, Connecticut.

Dear Attorney Baldwin:

The Connecticut Siting Council (Council) received the Development and Management Plan (D&M Plan) for the above-referenced telecommunications facility on March 24, 2022. Section 16-50j-75(d) of the Regulations of Connecticut State Agencies, entitled, "Timing of plan" states: "The D&M plan shall be submitted to the Council, and the Council shall approve, modify, or disapprove the plan within 60 days after receipt of it...."

The current deadline for the Council to approve, modify, or disapprove the D&M Plan submitted for this facility is May 23, 2022. Due to the timing of the interrogatory responses relative to the Council's meeting schedule, the Council will need additional time to review the D&M Plan. The Council hereby requests an extension of the D&M Plan decision deadline for Docket 494 until May 30, 2022. Please respond in writing by May 4, 2022.

We thank you in advance for your timely response to this matter.

Sincerely,

Melanie A. Bachman
Executive Director

MB/MP
