Request for Extension to November 24, 2025

Dear Attorney Bachman:

On May 24, 2021, the Siting Council approved the construction of the above referenced wireless telecommunications facility in Wolcott, Connecticut (Docket No. 494). Due to a delay in the commencement of construction and a transfer of the Council's Certificate, The Towers respectfully requests an extension of the Council's approval for twelve (12) months, to November 24, 2025, to complete the development of this facility. Thank you in advance for your cooperation.

If you have any questions, please contact me.

Sincerely,

Kenneth C. Baldwin
