## PUBLIC NOTICE

Notice is hereby given, in accordance with General Statutes § 16-501(f)(2), of a public information meeting to be held on January 30, 2020, at 6:30p.m., at the Town Hall Council Chambers, located at 275 Broad Street, Windsor, Connecticut, 06095. The public information meeting will concern the construction, maintenance and operation of a wireless telecommunications facility ("Facility") by Tarpon Towers II, LLC ("Tarpon") at 800 Prospect Hill Road, Windsor, Connecticut. Thereafter, Tarpon will file an application with the Connecticut Siting Council, which has exclusive jurisdiction over certain wireless telecommunications facilities. Tarpon submitted a technical report to the Town of Windsor ("Town"), which is available for public review at the Town Clerk's Office.

Tarpon proposes to construct the Facility, consisting of a 135 foot monopole structure on the Property, which would host an antenna array belonging to T-Mobile Northeast LLC, a subsidiary of T-Mobile USA Inc. d.b.a. T-Mobile ("T-Mobile"). The proposed Facility would provide reliable wireless communications services to underserved local roads and adjacent areas along the Day Hill Road Corridor, between Route 187 and Interstate 91, in the Town. The proposed Facility, in conjunction with other existing facilities, would increase user experience, including data rates and call quality in this area of the Town, as well as provide additional capacity relief to existing T-Mobile facilities.

At the meeting, Tarpon's representatives will discuss the need for the Facility, the location of existing surrounding facilities, those sites or areas considered and rejected, the location of schools near the proposed Facility, and any aesthetic impacts of the Facility on those schools, if any, the site selection process undertaken by Tarpon and any potential environmental effects of the proposed Facility.

***VIA CERTIFIED MAIL***

**Re: Proposed monopole wireless telecommunications facility at 800 Prospect Hill Road, Windsor, Connecticut**

To Whom It May Concern:

This office represents Tarpon Towers II, LLC (“Tarpon”). Tarpon anticipates filing an application with the Connecticut Siting Council (“Council”) for a Certificate of Environmental Compatibility and Public Need for the proposed installation of a monopole wireless telecommunications facility (“Facility”) to be located at 800 Prospect Hill Road, Windsor, Connecticut.

The Council has exclusive jurisdiction over the siting of telecommunications facilities. General Statutes § 16-50x. Section 16-50l(e), however, requires an applicant to consult with the municipality in which the proposed facility would be located. The Town of Windsor (“Town”) may conduct a public information meeting to provide recommendations or comments to Tarpon concerning the proposed Facility. The Town has requested such a meeting.

This letter serves as notice to you as an abutting property owner pursuant to General Statutes § 16-50l(f)(2). The public information meeting is scheduled for **January 30, 2020, at 6:30p.m., at the Town Hall Council Chambers, located at 275 Broad Street, Windsor, CT 06095**. I have enclosed a copy of the legal notice that will be published in the *Hartford Courant* on January 14, 2020.

You are invited to attend and participate if you so choose.

A copy of the technical report submitted by Tarpon to the Town is available at the Town Clerk’s Office at the Town Hall. If you have any questions or concerns regarding this matter, please contact our office or the Town Hall.

Very truly yours,

A handwritten signature in blue ink, appearing to read 'Jesse A. Langer', is written over a light blue horizontal line.

Jesse A. Langer

Enclosure: Public Notice
