Re: Docket 497 - Gravel Pit Solar – Burlington Solar One, LLC – Application for Certificate of Environmental Compatibility and Public Need for the Construction, Maintenance and Operation of a 3.5-Megawatt AC Solar Photovoltaic Generating Facility Located at Lot 33, Prospect Street, Burlington, Connecticut, and Associated Electrical Interconnection.

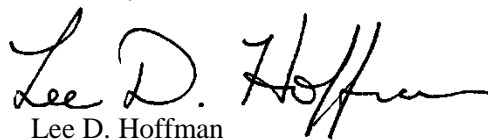

Dear Ms. Bachman:

I am writing on behalf of my client, Burlington Solar One, LLC (“Burlington Solar One”), in connection with the above-referenced Docket. With this letter, I am submitting a copy of a legal notice, published in *The Hartford Courant*, Section 1, page 9, on Friday, January 29, 2021. You will find the notice in the fourth column from the left. As you will see, the left-hand side of the page provides confirmation from *The Hartford Courant* of the publication of the notice.

Also included is an affidavit of publication of the referenced notice as provided by *The Hartford Courant*. Burlington Solar One provides this notice and the affidavit, as required, in support of its application to the Connecticut Siting Council (“Council”) for a Certificate of Environmental Compatibility and Public Need filed on January 22, 2021. The application requests the Council's approval of the location and construction of a solar photovoltaic project in Burlington, Connecticut.

I certify that a copy of this submittal has been submitted to the parties listed on the service list for this Docket. Please feel free to contact me should you have any questions or concerns regarding this submittal.

Sincerely,

Lee D. Hoffman
