The Facility is proposed on an 8.10-acre parcel of land owned by the Cheshire United Methodist Church identified as Map 58, Lot 27 on the Town of Cheshire Tax Map and includes an approximately 52' x 50' square-foot lease area located in the south-central section of the parcel.

The monopine tower will be located within a 12' x 50' square-foot fenced equipment compound located within the lease area. Celco Partnership d/b/a Verizon Wireless ("Verizon") will install antennas and associated equipment at a centerline height of 90' on the monopine tower and the Facility will be designed to support the antennas and equipment of two (2) additional FCC-licensed wireless carriers.
