RE: **DOCKET NO. 498** – Diamond Towers V, LLC Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a telecommunications facility located at 185 Academy Road (Route 68/Route 70), Cheshire, Connecticut. **D&M Plan Revision.**

Dear Attorney Baldwin:

The Connecticut Siting Council (Council) is in receipt of your correspondence dated May 25, 2023 regarding the revision to the Development and Management (D&M) Plan for the above-referenced facility that was approved by the Council on January 18, 2022.

Pursuant to Regulations of Connecticut State Agencies (RCSA) §16-50j-77(b), your request to install a 60-kilowatt propane-fueled emergency backup generator in lieu of the originally approved 30-kilowatt generator and modify the equipment orientation to allow the installation of the generator and equipment cabinets on the concrete pad is hereby approved.

This approval applies only to the D&M Plan revision dated May 25, 2023.

Please be advised that deviations from the Council's Decision and Order and D&M Plan approvals are enforceable under the provisions of the Connecticut General Statutes § 16-50u. Furthermore, the Certificate Holder is responsible for reporting requirements pursuant to RCSA § 16-50j-77.

Thank you for your attention and cooperation.

Sincerely,

A handwritten signature in black ink, appearing to read "Melanie A. Bachman".
