Hi, Melanie

I am attaching a letter regarding the letter sent to you by Ryan Peburn, Chairman of the Sherman Planning and Zoning Commission. I just saw the letter yesterday and I am writing a letter of apology to Mr. Peburn and I have attached a letter to you as well.

I have a couple of additional questions and wonder if you might be available in the next day or two to speak with me.

Thank you

Dear Ms. Bachman,

I would like to thank you for your forbearance and assistance over the past several months as you have managed the Docket #499 Application to the Siting Council.

In checking over the record on the website yesterday, I came across a letter from Ryan Peburn, Chairman of the Sherman Planning and Zoning Commission. Mr. Peburn's observation regarding my statement is correct. My intention was to convey that the Applicant had not answered many of the concerns expressed by the Sherman Inlands and Wetlands Commission, the Sherman Planning and Zoning Commission and the Northwest Connecticut Land Conservancy other than to say that these matters would be dealt with in their D & M (Development and Management) Plan. I did not seek the opinion of these organizations prior to writing the Post Hearing Brief and Proposed Findings of Fact. Had the Planning and Zoning Commission reviewed the transcript of the hearing they might have had an opinion on the testimony. I am going to write a letter of apology to Mr. Peburn as well as recommending that the Commission review the transcript of the hearing.

Thank you.

Cordially,

Stan Greenbaum
