**Re: Motion to Reopen and Modify the Council's Decision and Order in Docket No. 253**

Dear Ms. Bachman:

This letter will confirm our recent e-mail correspondence regarding the existing telecommunications facility at 151 Young Street in East Hampton, Connecticut, and the above-referenced Motion to Reopen and Modify the Council's Decision and Order in Docket No. 253 filed by Crown Castle on January 11, 2019. The existing tower at 151 Young Street in East Hampton is owned by AT&T Wireless PCS, LLC ("AT&T"). Crown Castle manages and operates the 151 Young Street tower site for AT&T but does not own the structure nor does it hold the existing Docket No. 253 Certificate of Environmental Compatibility and Public Need.

If you have any additional questions please do not hesitate to contact me.

Sincerely,

Kenneth C. Baldwin
