Re: Request for Party Status—Docket No. 470

Dear Ms. Bachman:

Thank you for speaking with me today and for your candid answers to my questions regarding the Council process. Pursuant to that conversation, please accept this letter as the Town of Killingly's formal request for Party Status in the matter of Docket No. 470 – NTE Connecticut, LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a 550-megawatt dual-fuel combined cycle electric generating facility and associated electrical interconnection switchyard located at 180 and 189 Lake Road, Killingly, Connecticut.

I look forward to working with you in the coming months. I am your primary contact for the Town of Killingly; please direct any correspondence associated with this matter to my office.

Sincerely,

Sean Hendricks  
Town Manager
