

BEFORE THE CONNECTICUT SITING COUNCIL

In re: NTE Connecticut, LLC application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance, and operation of a 550-megawatt dual-fuel combined cycle electric generating facility and associated electrical interconnection switchyard located at 180 and 189 Lake Road, Killingly, Connecticut

Docket No. 470

Filed: March 16, 2017

JOINT REQUEST FOR ADMINISTRATIVE NOTICE

On March 3, 2017, the Connecticut Siting Council (the “Council”) reopened the evidentiary record in the above-referenced matter for the limited purpose of introducing evidence related to the results of the Forward Capacity Auction conducted by ISO-New England (ISO-NE) on February 6, 2017 (FCA 11), and granted Not Another Power Plant, Wyndham Land Trust, and Connecticut Fund for the Environment’s joint request for administrative notice of ISO-NE’s Press Release, dated February 9, 2017, summarizing the results of FCA 11.

On February 28, 2017, pursuant to the Federal Power Act (FPA) and ISO-NE’s tariff, ISO-NE submitted a formal filing to the Federal Energy Regulatory Commission (FERC) in FERC docket ER17-1073-000 describing in greater detail, and seeking approval pursuant to FPA Section 205 of, the results of FCA 11. Not Another Power Plant, The Wyndham Land Trust, Connecticut Fund for the Environment, and Sierra Club respectfully request that the Council take administrative notice of ISO-NE’s February 28, 2017 FCA Results Filing in FERC docket ER17-1073-000, which is provided as an attachment to this filing.

RESPECTFULLY SUBMITTED this 16th day of March, 2017.
