RE: Docket No. 192B—Towantic Energy, LLC Motion to Reopen and Modify the June 23, 1999 Certificate of Environmental Compatibility and Public Need Based on Changed Conditions Pursuant to Connecticut General Statutes §4-181a(b) for the Construction, Maintenance and Operation of a 785 MW Dual-Fuel Combined Cycle Electric Generating Facility Located North of the Prokop Road and Towantic Hill Road Intersection in the Town of Oxford, Connecticut—CPV Towantic, LLC Objection to Burton Stevens' Request to Orally Present His Direct Case on February 24, 2015

Dear Chairman Stein:

CPV Towantic, LLC ("CPV") hereby responds to the Connecticut Siting Council's ("Council's") February 19, 2015 e-mail to Parties and Intervenors regarding the request by Mr. Burton Stevens to "[p]resent his direct case during the continued evidentiary hearing to be held on February 24, 2015." CPV objects to Mr. Stevens' request to the extent that Mr. Stevens intends to provide direct oral testimony.

The Council has made it clear in numerous communications to the Parties and Intervenors throughout the course of this docket, and as recently as February 11, 2015, that "**All testimony is required to be pre-filed in writing and distributed to the service list in accordance with the Council's schedule. Direct testimony at the hearing is not permitted.**" (emphasis in original) Mr. Stevens knew or should have known that the Council procedure requires pre-filed direct testimony rather than oral direct testimony, no later than January 16, 2015 when the Council notified him that he had been granted intervenor status and provided him with a copy of its Hearing Procedure Memorandum and its Guide to Party and Intervenor Status.

Allowing Mr. Stevens to present his direct case orally, rather than through pre-filed testimony, would be unfair to CPV, to the Council, its staff, and other participants in this case who would have no opportunity to prepare to cross-examine him. Therefore, CPV respectfully requests that the Council not allow Mr. Stevens to orally present his direct case at the February 24, 2015 hearing.

CPV has no objection to allowing Mr. Stevens to cross-examine it and other parties and intervenors at the February 24, 2015 hearing, and to be cross-examined solely on any documents he has filed in this docket.
