Good morning, Mr. Frantzis.

We will defer your appearance and cross examination of the Certificate Holder to March 24, 2015 as we have done for Westover School, Marian Larkin and just this morning, the Middlebury Land Trust. Please be advised that March 24 and March 26 are the final evidentiary hearings on this matter. This information was clearly communicated in the Council's February 25, 2015 memo to parties and intervenors and is also clearly indicated in the Council's February 27, 2015 revised schedule for this matter. Should any party or intervenor object to Quassy Amusement Park appearing on March 24, 2015, please submit an objection before the close of business on Friday, March 13, 2015.

Links to the February 25, 2015 memo and February 27, 2015 revised schedule are provided below for everyone's convenience.

Thank you.

Subject: Patient schedule

Dear Ms. Bachman,

I believe you are planning to call the various names of interveners today to list who still wishes to ask questions. I would, in fact, like to ask some questions on behalf of Quassy Amusement Park and I was planning to attend this week's session in New Britain to so state and/or question.

Due to the change from Thursday instead of the usual Tuesday and a major delivery of a new ride today, I must stay at the Park all day and cannot attend in New Britain, even briefly.

If and when my name is called I would be most appreciative if you would convey these comments to the Council and convey my hope that I might be able to ask my questions at a subsequent hearing session, perhaps on the 24th, assuming there will still be such questioning going on after tomorrow.

Thank you for your consideration.

Sincerely,

George Frantzis
