September 1, 2015

Ms. Melanie Bachman, Executive Director  
Connecticut Siting Council  
Ten Franklin Square  
New Britain, CT 06051

Dear Melanie,

As members of the Southbury Board of Selectmen, we want to clarify certain statements set forth in the August 25, 2015 letter from First Selectman Ed Edelson.

Specifically, we wanted to inform the Siting Council that we continue to have concerns about some of the issues raised in the July 29, 2015 letter from the Pomperaug River Watershed Coalition ("PRWC").

We hope that the Siting Council will fully evaluate the issues raised by the PRWC and ensure that the Towantic Energy Center ("TEC") has a full and detailed plan in place to deal with all of its water needs in a way that will not negatively impact the Pomperaug River Watershed and the residents and businesses in the communities it serves, including binding contractual agreements in place to fully meet the needs of the TEC during drought conditions and during any period that the TEC is running on oil to produce power.

Thank you for your consideration of our concerns,
