1. Manner in which intervenor's participation is in the interests of justice and will not impair the orderly conduct of the proceedings:

(1. Manner in which intervenor's participation is in the interests of justice and will not impair the orderly conduct of the proceedings:) I am a citizen of Oxford as well as a selectman. I am requesting intervenor status as a private citizen.

2. Manner and extent to which intervenor proposes to participate:

3. Statutory authority for intervenor request:

(3. Statutory authority for intervenor request:) I am a citizen of the town of Oxford. If this request needs a more specific statute reference that I am not aware of I would then need your guidance in that respect.

(2. Manner and extent to which intervenor proposes to participate:) I will attend hearings and provide whatever information that is requested of me pertaining to docket 192b/c from my perspective as a citizen and selectman of Oxford, CT.

4. Nature of evidence intervenor intends to present:

Copies of this request are required to be electronically mailed to all participants on the service list, which can

(4. Nature of evidence intervenor intends to present:) As a forty year resident of Oxford and having served as First Selectman, Deputy Treasurer and now a Selectman I will be able to present a great deal of evidence based on the history of the power plant for the last twenty years.

be found on our website in Pending Proceedings under the appropriate docket or petition number, at least five days before the date of the public hearing.
