Re: Kleen Energy Systems, LLC Application for a Certificate of Environmental Compatibility and Public Need for an Electric Generating Facility on River Road, Middletown, Connecticut Docket No. 225B

Dear Mr. Phelps:

Based on the comments of members of the Siting Council during today's meeting it seems appropriate to provide you with copies of the Nevas Commission Report as quickly as possible. Accordingly I am enclosing 15 copies of that report for the Siting Council's use. Kleen Energy Systems, LLC anticipates that it will incorporate the Nevas Commission Report in its prefiled testimony, which will be submitted in advance of the August 3, 2010 hearing date.

Should you have any questions please feel free to contact me.

Respectfully submitted
KLEEN ENERGY SYSTEMS, LLC
