Dear Chm. Stein:

With regard to the above referenced petition and docket, please be advised that the City of Middletown is opposed to any changes to the existing telecommunications facility located at 50 Fairchild Road, which would violate the original condition requiring flush mounted antennas.

If any further information is required, please feel free to contact William Warner, Director of Planning, Conservation and Development, at (860) 344-3425 or email him at bill.warner@cityofmiddletown.com.
