RE: AT&T Tower Proposed Tower Extension – 50 Fairchild Road

Dear Chairman Stein and Members of the Siting Council:

We are writing as a follow up to our April 11, 2011 letter regarding the above referenced matter. Since that time, AT&T representatives met with my office to discuss their project. We are also in receipt of AT&T's most recent filing with the Siting Council dated May 26, 2011. It is our understanding that AT&T is proposing the 10' tower extension and a platform to avoid a 30' tower extension with flush mount antennas or, worse yet, a completely new tower in another area of Middletown.

Based on that understanding, we withdraw our objection to AT&T's project.

Sincerely,

A large, stylized handwritten signature in black ink, appearing to read "Sebastian N. Giuliano".
