HEARING NOTICE

Pursuant to provisions of General Statutes § 16-50m and Section 16-50j-21 of the Regulations of Connecticut State Agencies, notice is hereby given that the Connecticut Siting Council (Council) will conduct a public hearing on Monday, June 29, 2009, beginning at 1:00 p.m., in Hearing Room One, Ten Franklin Square, New Britain, Connecticut, and thereafter as necessary. This notice is given to re-schedule the hearing date of this proceeding, identified as Docket 346, which was originally scheduled for November 18, 2008 and January 6, 2009.

This hearing is being held in conjunction with Section 8 of Public Act 07-242 to investigate energy security with regard to the siting of electric generating facilities and transmission facilities, including consideration of planning, preparedness, response and recovery capabilities. The hearing will allow all parties and intervenors to comment on the Council's White Paper regarding Security of Siting Energy Facilities, issued on May 28, 2009. The White Paper examines guidelines established by various entities to promote siting security and how the Council can ensure adherence to such guidelines. The paper seeks to establish consistent and current criteria by which to measure and evaluate the promotion of siting security within the state. Comments received at the hearing may be used to further develop the White Paper before it is adopted by the Council for its own adjudicatory purposes.

The Council directs that all testimony and comments be pre-filed with the Council and all parties and intervenors by June 22, 2009.

Applicable law for this proceeding includes the Public Utility Environmental Standards Act, General Statutes § 16-50g, et seq., and Sections 16-50j-1 through 16-50v-1a of the Regulations of Connecticut State Agencies.

The record of this proceeding is available for public inspection at the office of the Council, 10 Franklin Square, New Britain, Connecticut 06051.
