Connecticut Siting Council
Ten Franklin Square

Dear Mr. Phelps:

I am writing to support the application of Global Signal – 1919 Boston Post Road, Guilford, CT.

D.D.R. the developers of this property have worked tirelessly and in good faith to settle the concerns of their immediate neighbors with regards to the location of the radio tower.

This project is very important to the economic development and vitality of our town and I hope that the Siting Council will take this into account as part of their deliberation on the matter.

I thank the Siting Council and staff for all your hard work and diligence.

Sincerely,

Carl A. Balestracci, Jr.
First Selectman
