Re: Petition No. 792/ Docket 349
Global Signal Acquisitions II, Guilford, CT

Dear Friends,

Reference is made to Docket No. 349 and Petition No. 792 which was its predecessor, Petition for Declaratory Ruling. I draw your attention to a December 18, 2006 letter, copy attached, forwarded to me from Daniel Caruso, Chairman, advising of the grant of party status and intervenor status to various of my clients listed in the attached letter. That letter advised that status would be transferred to the new docket application if and when it was filed. The new application, Docket 349, has indeed been filed and we trust that the status has indeed been transferred.

I assume, without knowing, that my Appearance will likewise be transferred. In any event, I would ask that this letter be considered as my Appearance on behalf of the listed intervenors and parties listed in the attached letter of December 18, 2006 in the new Docket #349.

We have enclosed 15 copies of this letter and its attachment in keeping with the instruction of the letter of December 18, 2006. This is also to certify that I have forwarded copies of this correspondence and its attachment to Attorney Carrie L. Larson, Cohen & Wolf, 1115 Broad Street, PO Box 1821, Bridgeport CT 06601, Counsel for the Petitioner, Global Signals.

Sincerely yours,

A handwritten signature in black ink, appearing to read "John S. Bennet".
