**Docket/Petition No.** 351

**Town/City:** Manchester, Ct.

**Name:** Laurie Morrone

**Address:** 119 Lake Street

**City:** Manchester

**State:** Ct

**Zip:** 06042

**Phone:** 860-649-0703 (cell) 550-5879

**1. Manner in which petitioner claims to be substantially and specifically affected:**

I am a property owner on Lake Street, the proposed site for a cell tower, with a minimum height of 110 feet. My family would be specifically affected as my home /property is abutted to the property seeking permission to install the cell tower and benefit handsomely monetarily from doing so. My family and I would have full view of the proposed tower, as it will sit atop a hill in my immediate back yard. It will be highly visible 12 months a year, no screening. I have concerns about safety and about devaluation of my property that has been in my family for forty years. I have several concerns to address. I realize that this is very last minute. I am throwing myself at the mercy of your discretion in these proceedings.

**2. Manner and extent to which petitioner proposes to participate:**

I have contacted several attorneys and expect to engage in legal council with one within one day or two at most. I would ask that you consider me a party in these proceedings, as the development of this tower will directly affect my family. I am only a layperson and do not understand everything on the applicants formal application at this time. I am a concerned home owner, parent and tax payer .My property does abut the applicants .As this is coming to you very late, I would like to request that you waive my rights to cross examine today at the 3:00 hearing

and allow me to speak publicly tonight at 7:00. I do apologize for the roughness of this wording and hope that you grant me the opportunity. I feel that I need to have stronger legal standing in this process than just speaking publicly at the 7:00 pm hearing. Thank you for your valuable time.

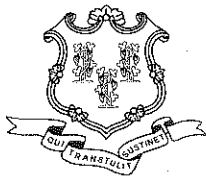

Copies of this request shall be mailed to all participants at least five (5) business days before the date of the hearing.
