

## LEGAL NOTICE

Notice is hereby given, pursuant to Section 16-50**l**(b) of the Connecticut General Statutes and Regulations pertaining thereto, of an Application to be submitted to the Connecticut Siting Council (“Council”) on or about November 20, 2007, by Cellco Partnership d/b/a Verizon Wireless (“Cellco” or the “Applicant”). The Application proposes the installation of a wireless telecommunications facility at one of two locations in the Town of Watertown, Connecticut. The “Site A” facility would be located on a 0.24 acre Town-owned parcel off Old Baird Road. At this site, Cellco proposes to construct a 150-foot tower. Access to Site A will extend directly from Old Baird Road to the cell site. The Site B facility would be located on a 13.70 acre Town-owned parcel off Old Baird Road, near the Town’s Animal Shelter and Solid Waste Transfer Station. At this site, Cellco proposes to construct a 160-foot tower. Cellco will also install a new 12’ x 30’ shelter located near the base of the approved tower to house its radio equipment and a back-up generator. The location and other features of the proposed facility are subject to change under provisions of Connecticut General Statutes § 16-50g et. seq.

On the day of the Siting Council public hearing on this proposal, Cellco will fly a balloon at the height of the proposed towers described above, between the hours of 8:00 a.m. and 5:00 p.m. Interested parties and residents of the Town of Watertown are invited to review the Application on or after November 21, 2007, during normal business hours at any of the following offices:
