

LEGAL NOTICE

Notice is hereby given, pursuant to Section 16-50**l**(b) of the Connecticut General Statutes and Regulations pertaining thereto, of an Application to be submitted to the Connecticut Siting Council (“Council”) on or about December 7, 2007, by Cellco Partnership d/b/a Verizon Wireless (“Cellco” or the “Applicant”). The Application proposes the installation of a wireless telecommunications facility at the Northville Volunteer Fire Department in the Town of New Milford, Connecticut. The site location is an approximately 3.85-acre parcel owned by the Northville Volunteer Fire Department at 359 Litchfield Road, in New Milford. At this site, Cellco proposes to construct a 150-foot telecommunications tower and a 12’ x 30’ equipment shelter located near the base of the tower to house radio equipment and a back-up generator. The facility will be designed to accommodate additional wireless service providers and will support the Northville Volunteer Fire Department emergency service antennas. The location and other features of the proposed facility are subject to change under provisions of Connecticut General Statutes § 16-50g et. seq.

On the day of the Siting Council public hearing on this proposal, Cellco will fly a balloon at the height of the proposed tower, generally between the hours of 8:00 a.m. and 5:00 p.m. Interested parties and residents of the Town of New Milford are invited to review the Application during normal business hours at any of the following offices:
