Re: Application of Celco Partnership d/b/a Verizon Wireless for a Certificate of Environmental Compatibility and Public Need for the Construction, Maintenance and Operation of a Wireless Telecommunications Facility at 199 Town Farm Road, Farmington, Connecticut

Mr. Phelps:

Pursuant to our telephone conversation today and on behalf of the Intervenors, David and Susan Edelson in the above-captioned matter, I am enclosing the proposed Witness List, Exhibit List and Copies of Exhibits to be offered at the November 6, 2008 scheduled hearing. (Please note, I attached exhibit no.7 last for convenience because it requires legal size paper). Also, I have pre-marked the exhibits with our preferred exhibit numbers and respectfully request that you accept the exhibits as marked. I will hand-deliver the original marked exhibits and objection on Wednesday, October 28, 2008.

If you have any questions or concerns, please do not hesitate to contact me at (860) 561-2628.

Sincerely,

Marci G. Richardson
Paralegal
