Re: **Cellco Partnership d/b/a Verizon Wireless – Proposed
Telecommunications Facility
Town Farm Road, Farmington, Connecticut**

Dear Mr. Ollendorf:

Sandy Carter, at Verizon Wireless is on vacation this week. She asked me to forward the attached photosimulations to you regarding the proposed telecommunications facility on Town property off Town Farm Road in Farmington. The photosimulations depict a traditional single carrier monopole and a monopine (tree tower) simulation at the same site. Photosimulations are taken from three different locations as depicted on the attached photolog key map. Please feel free to contact me or Sandy Carter after you have had a chance to review these photosimulations so that we can discuss how you would like to proceed.

I look forward to hearing from you.
