RE: **DOCKET NO. 360** - Celco Partnership d/b/a Verizon Wireless application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance and operation of a telecommunications facility located at 188 Route 7 South, Falls Village (Canaan), Connecticut.

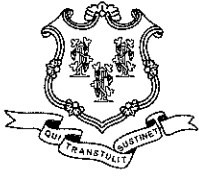

As indicated in earlier correspondence (dated July 3, 2008), the Connecticut Siting Council (Council) has reviewed and modified its proposed Administrative Notice list in the above-referenced proceeding. Please see this revised list, enclosed herewith for your review. This list also appears on the relevant pending proceedings page on the Council's website (ct.gov/csc).

Please note that the referenced documents associated with items 1, 2, 4, and 6 through 15 are posted on the Council's website under the "Pending Proceedings" link to the Docket No. 360 record. Items 3 and 5 are not because of their voluminous nature and because the Council was unable to obtain suitable digital versions of these documents. These documents are available in the Council's offices for inspection during normal business hours.

If any party or intervenor has any objections, questions or comments regarding the enclosed Administrative Notice list, please notify the Council no later than 12:00 p.m. on Wednesday, July 30, 2008.
