Norwich, CT 06360

**Re: Proposed Development of a Telecommunications Facility
39 Maennerchor Avenue, Norwich, Connecticut**

Dear Mayor Volpe:

Enclosed please find two (2) copies of the technical report in compliance with Connecticut General Statutes Section 16-501(e) and in anticipation of filing an application for a Certificate of Environmental Compatibility and Public Need for the construction, maintenance and operation of a telecommunications facility at the above-referenced location. The technical report includes information regarding the public need for the facility, the site selection process, and the environmental effects of the facility.

The municipality may conduct public hearings and meetings as it deems necessary to provide recommendations or comments to Optasite Towers LLC concerning this proposal. If a hearing or meeting is scheduled, we request notice and will be pleased to provide an informational summary of the proposal. If the City has any recommendations or comments, it must provide them to us within sixty (60) days of the receipt of this filing.

We would like to meet with you (or your designee) to review the proposed project and will contact you next week to set up an appointment at your convenience.

If you have any questions, please do not hesitate to contact me directly.

Very truly yours,

Carrie L. Larson

Re: City of Norwich Council Meeting

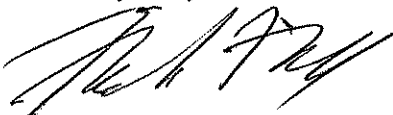

Dear Ms. Larson:

This is to follow up on our voice mail exchanges of the last several days.

The Norwich City Council has a regular meeting scheduled for August 6, 2007. It has a full agenda including an informational session and anticipated Executive Sessions. The Mayor was reluctant to put any hearing or informational session involving the cell tower on the agenda at that meeting.

The Council will probably have a second meeting on Monday, August 20, 2007. The meeting would normally start at 7:00 p.m. but an informational session might start an hour or a half an hour earlier. The agenda for the meeting will be set on Monday, August 13, 2007 and I will let you know if the cell tower is scheduled for an informational session, public hearing or public comment of some sort.

Yours very truly,

Michael E. Driscoll

MED/bab

Karl-

I am attaching a copy of the technical report that we filed with Norwich in June of 2007. Please let me know if you would like us to attend another informational meeting concerning this proposal.

Subject: City of Norwich/ Cell Tower Site

Attorney Larson:

I spoke to my partner, Michael Driscoll, and we have pulled the minutes of the August 20, 2008 City Council Meeting and the minutes of the August 21, 2007 Commission on the City Plan Meeting. Unfortunately, I have found no reference to your client's matter in either. I also reviewed such filing as we have for miscellaneous matters from that time period and again have found nothing.

It would likely save time if you could please provide me with some documentation of your client's matter which I may then reference when I raise it again to our new City Manager and new Council.

Many thanks for your assistance
