SITING COUNCILRe: Docket No. 366

Dear Chairman Caruso and Members of the Council:

We are in receipt of the City of Danbury's request that the upcoming October 28th continued public hearing be adjourned for another 30 days and that both the merits of this docket and Optasite's motion for a protective order be held over. We have had an opportunity to discuss this with Optasite. Our client has no objection to the motion for a protective order being decided at a later date, but it respectfully requests that the continued hearing move forward on the 28th. As the Council will recall, this matter was last heard in early September after which a supplemental schedule was published by the Council staff. Our clients conformed to that procedural schedule in making its recent filings. We believe that 2 weeks as provided for in the Council's schedule is more than enough time for the City to review the substantive materials filed and be prepared to resume cross-examination of our clients' witnesses on the 28th. Thank you for your consideration in this regard.

Very truly yours,

Christopher B. Fishercc: Derek Phelps, CSC Executive Director
