TO: Laszlo Pinter, Deputy Corporation Counsel

SUBJECT: T-Mobile "Drive Test" on the Candlewood Peninsula

I conducted a "drive test" of the Candlewood Peninsula this afternoon using a borrowed T-Mobile cell phone. I used two methods of testing the cell service – first, I stopped at the described locations and made calls to my voicemail – second, I circumnavigated the Candlewood Peninsula while talking on the T-Mobile phone. The T-Mobile cell phone worked fine during this test on the Candlewood Peninsula. The results of my "drive test" are as follows:
